## Message from key groups in our community

---

### Principal's Message

The primary purpose of St. Joseph's Parish School is to support the members of the parish community in providing a faith formation for their children. The school fosters a commitment to the development and well-being of each individual student. Our parish school continued to provide many opportunities for the faith and spiritual growth of the students as well as opportunities to excel in academic, cultural and sporting areas during 2022.

Our vision is to build a positive learning community that thrives on quality relationships and developing inquiring minds. Our goal is to nurture learners who feel valued and safe to explore opportunities with confidence and be passionate about their learning in readiness for future challenges.

### Parent Body Message

2022 has been a very successful year for St Joseph's P&F Association. For the first time in three years, our annual fete was able to be held and took place on Saturday, 5th November. It was a great night of entertainment, delicious food and a variety of stalls, all enjoyed by a large crowd. There was a real sense of community as so many of our families came together to make the night happen and appreciate the experience.

Throughout the year we have also: sold raffle tickets in our Easter raffle; operated a canteen at the St Joseph's and Cluster Athletics Carnivals; held a pie drive, a Mother's Day stall and a Fathers' Day breakfast. Thanks to the generosity of our families and the wider Nyngan community we have been able to purchase of a portable shade structure for use at sporting events. We also contributed \$20 000 towards the construction of a permanent shade structure of the playground equipment which was installed at the beginning of the school year. It is very rewarding to be able to work together to help support the staff and students of St Joseph's School.

### Student Body Message

This year the Student Representative Council has been busy participating in different activities to fundraise and show our support for charitable organisations. We have raised money for Cerebral Palsy Alliance by holding a mufti day and selling cupcakes.

During Lent we raised money for Caritas Australia as well as the people of Lismore whose community was inundated by floodwaters. On St Patrick's Day in March, we celebrated all

things green. Students came to school in green mufti for a gold coin donation, we sold green cupcakes and lime cordial and had a lolly guessing competition and games afternoon. In October we held a Crazy Hair and Silly Sock Day and had a disco with all monies raised going to Catholic Missions.

Once a term we were able to attend youth group after school, which was a lot of fun. We have enjoyed our time on the SRC and the opportunities we have had to take on leadership roles and to work together to help others who need our support.

## School Features

---

St Joseph's Parish Primary School is a Catholic systemic co-educational school located in Nyngan. The School caters for students in Kindergarten to Year 6, and has a current enrolment of 119.

St Joseph's Parish School, Nyngan was founded in April 1884 by the Sisters of St Joseph. At that time, Nyngan was part of the Dubbo parish, within the Bathurst Diocese. In 1887 the Wilcannia-Forbes Diocese was formed. In 1911 Fr John Moran organised the building of the school at the corner of Terangion and Warren Streets. In 1914, he had the two-storey convent on the corner of Terangion and Bogan Street constructed. Fr John Sexton arrived as Parish Priest in 1932 and managed the parish for 36 years. In his time, he doubled the size of the building constructed in 1911, as well as approving the building of the Infants School in Bogan Street which was completed in 1967. The first Lay Teacher was employed at St Joseph's in 1965. The secondary section of the school was closed in 1972 and the two storey convent was demolished in 1987. One of St Joseph's newest buildings, MacKillop Hall, was constructed through an initiative of the Federal Government - 'Building the Education Revolution'. MacKillop Hall was officially opened on Sunday, 1 May 2011. This year students and staff moved into newly refurbished Primary and Infants buildings and administration offices. These refurbished buildings will be officially opened in 2023.

At the end of 2005 the Sisters of St Joseph withdrew from St Joseph's School and at the end of 2016 they finished their association with St Joseph's Parish. Our Parish Priest divides his time between the parishes of Nyngan and Warren.

A number of our families live on farming properties and rely on sheep, wheat, wool and cattle for their livelihood. Copper and other minerals are mined near Nyngan and many of our parents are employed to work in different capacities within the mining industry.

## Catholic Identity and Mission

---

Catholic Schools in the Diocese of Wilcannia Forbes operate under the leadership of the bishop and in partnership with parents, priests and school staff. St Joseph's Parish School constitutes a key component of the Church's mission of evangelisation and catechesis. The diocesan Religious Education program, Educating in Christ emphasises the kerygma (proclaiming the essential message of Christ), mystagogy (linking the sacraments with the Scriptures), appropriate moral formation, and prayer. It uses a modified Montessori pedagogy and pays close attention to the developmental stage of each child, accompanying each one as they pursue their own personal relationship with Christ.

St Joseph's Parish Primary School is fortunate to have a resident priest who is available to celebrate Mass on a regular basis. As a whole school, we were able to celebrate Mass on Ash Wednesday, St Joseph's Day and Catholic Schools' Week in May. School liturgies were held for ANZAC Day in April, for St Mary of the Cross Feast Day and during NAIDOC Week in August. Stage Masses were celebrated whenever possible.

This year six Catholic children from our community received the Sacrament of Reconciliation for the first time in April, and seven students received Eucharist for the first time in May. The Religious Education Coordinator, along with the class teacher, plays an important role in the preparation of our students for the reception of the sacraments.

The children pray regularly during the school day, in the morning, before recess and lunch and at the end of the day. The school bell is rung at midday to signal the praying of the Angelus in all classrooms. The children are encouraged to take an active role in school liturgies and pray in a reverent and respectful manner.

During this year the teachers continue to embed 'Educating in Christ', the new diocesan Religious Education curriculum, in every classroom. Staff members continue to be provided with professional development to enhance their knowledge and understanding of this new curriculum. Learning spaces support the pedagogical practices of 'Educating in Christ'. There are concrete resources for the children to use as they explore the connection between these objects and the associated scriptures. Various materials are used by the students during reflection time to articulate their learning. Our students are making progress towards being engaged, independent learners. At their own level of understanding, the students will continue to develop their abilities to express and analyse their learning through discussion with their teacher and by making entries in their learning journals.

Members of the staff are often readers at Sunday or Saturday night Masses and are ministers of the Eucharist. Staff members are involved in the events of the church as they arise. Our Parish Priest was invited to all major activities at the school.

## Curriculum, Learning and Teaching

---

St Joseph's Parish School provides an educational program based on, and taught in accordance with the NSW Education Standards Authority (NESA) syllabuses for primary education. The Key Learning Areas (KLAs) are English, Mathematics, Science and Technology (S&T), Human Society and its Environment (HSIE), Creative Arts (CA) and Personal Development, Health and Physical Education (PDHPE). In addition to this, the School implements the Diocesan Religious Education syllabus. Staff members strive for continuous improvement of teaching and learning in all facets of the curriculum.

St Joseph's Parish School is committed to providing quality education that strives to meet the needs of every child. The curriculum is underpinned by Catholic values and the Diocesan Statement of Faith and Mission.

### **Students with Disabilities:**

In 2022 fourteen children with learning disabilities were provided with Government funding for specifically allocated time to assist them in Literacy and/or Numeracy. These children are in classrooms from Year 1 to Year 6 and have been provided with intervention programs in Literacy and Numeracy. They complete their learning tasks with the assistance of support staff who work collaboratively with the classroom teachers to address their learning needs. One child in Year 6 has high needs and requires wheelchair access in order to enter school buildings. This student attends school daily, has a full-time carer to assist in the classroom and is included in all activities.

### **Aboriginal Education:**

All Aboriginal children have a personalised learning plan (PLP) that focuses on achieving specific learning goals either in Literacy or Numeracy. Meetings are held each semester to discuss the children's PLPs with the principal, Aboriginal Education Workers (AEWs), teachers and parents in attendance. The AEWs usually work with the children in their classrooms however they may withdraw students to receive individual assistance; this depends on the children's needs at the time. The AEWs are also required to assist the students with cultural learning throughout the year.

### **STEM Initiatives:**

Our students have, for many years now, used Chromebooks as part of daily practice to enhance student learning in all classrooms. We continue to focus on the promotion of STEM activities that incorporates the use of digital technologies and construction materials. There have been numerous hands-on lessons throughout the year in every classroom that have challenged our children to be critical thinkers, collaborators and good communicators. The teaching staff has participated in professional learning opportunities to upskill them with

lessons designed to challenge the students in the areas of Science, Technology, Engineering and Mathematics.

**PDHPE/Sport Programs:**

Students at St Joseph's participate in a wide variety of sporting events throughout the year. Fundamental Movement Skills are taught to all students from Kindergarten to Year 6 at a level appropriate to their age and ability. Students are provided with opportunities to follow sporting pathways in a wide variety of sports particularly swimming, athletics and cross country.

**Extending Mathematical Understanding (EMU):**

This is a whole-school approach to the teaching of Mathematics and aims to develop strategies for improved Mathematics learning. Each child participates in a one-to-one Mathematical Assessment Interview (MAI) with their class teacher. The data collected from this interview places the child at a particular growth point. Lessons are created using concrete materials and open-ended questioning to increase each child's mathematical understanding. EMU Maths includes an intervention program for students in Year 1 for those who need extra support to increase their mathematical understanding.

## Student Performance in Tests and Examinations

---

### NAPLAN

Students in Years 3, 5, 7 and 9 across Australia participate in the National Assessment Program Literacy and Numeracy (NAPLAN). The purpose of this test is to provide information to parents and teachers about the achievements of students in aspects of Literacy and Numeracy. The test provides a measure of the student's performance against established standards and against other students in Australia. Each year the results are analysed by the school to inform teaching with a view to improving student performance.

The Commonwealth Government sets minimum acceptable standards for literacy, numeracy, reading, writing, grammar, punctuation and spelling at particular ages. These are referred to as national minimum standards. Student performance in NAPLAN at St Joseph's Parish School for 2022 is compared to these standards. The percentages of students achieving at or above these national minimum standards, and the percentages of students in the top two bands are reported in the table.

Historical NAPLAN student performance information can be accessed from the [My School](#) website.

The expectation is that complaints will be brought forward and resolved in a respectful manner recognising the dignity of each person concerned in the process.

The policy recognises that a number of more minor or simple matters can be resolved without recourse to the formal complaint handling process but rather, quickly and simply, by discussion between the appropriate people.

Further information about this and other related policies may be obtained from the [CEWF website](#) or by contacting the Catholic Education Office.

The Concerns and Complaints Handling Policy was reviewed in 2021 and approved by the Catholic Education Wilcannia-Forbes (CEWF) Leadership Team.

## Initiatives promoting respect and responsibility

The values of respect and responsibility are reflected across all dimensions of school life.

**Making Jesus Real:** This whole school's 'way of life' focuses on respect, justice, fairness, tolerance and resilience and uses Jesus as a model to teach children to be better members of their community;

**Student Leaders:** All Year 6 students and a representative from Years 3-5 are invited to become student leaders. They are expected to be good role models and take on a variety of

responsibilities during the year, including representing the school at community gatherings, chairing assemblies and welcoming visitors to the school;

Mini Vinnies: St Joseph's student leaders enthusiastically attended meetings at school in order to coordinate fundraising events to raise money for those less fortunate.
